GOVERNMENT OF INDIA
HEALTH AND FAMILY WELFARE
LOK SABHA

UNSTARRED QUESTION NO:345
ANSWERED ON:02.03.2005
MEDICAL RELIEF OPERATIONS IN TSUNAMI AFFECTED AREAS
Kamat Shri Gurudas;Owaisi Shri Asaduddin;Singh Shri Uday

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether the Union Government has sent any medical teams to provide medical relief operations to Tsunami affected areas;

(b) if so, the details thereof alongwith names of doctors and paramedical staff sent there;

(c) whether doctors were reluctant to go to tsunami affected areas as appeared in the Times of India dated January 9, 2005;

(d) if so, the main reasons therefore;

(e) whether the Government has offered any special package to doctors and other paramedical staff to visit Tsunami affected areas;

(f) if so, the results thereof; and

(g) the steps taken/being taken by the Government to give maximum medical facilities to the affected people ?

Answer

THE MINISTER OF HEALTH & FAMILY WELFARE (DR. ANBUMANI RAMADOSS)

(a) to (g) In total 269 doctors consisting of physicians, psychiatrists, general duty medical officers, public health specialists and health administrators and 99 paramedics consisting of nurses, lab technicians, sanitary inspectors, vaccinators drawn from Central Govt. Institutions were deputed to the affected areas for medical relief activities (List annexed). This includes about 150 doctors posted to A&N Islands. Medical and paramedical personnel volunteered to do the work in Tsunami affected areas. Forty doctors with supportive staff from Central Govt. institutions are still in the Andaman and Nicobar Islands, most of them in southern group of islands providing medical relief, disease surveillance and instituting public health measures. More than 50,000 patients have been provided medical assistance including psychosocial support by the Central medical teams. No special packages has been offered except for additional allowances.

Apart from health manpower deployment, adequate emergency medical stores (drugs, consumables, disinfectants, insecticides) have been supplied to the affected States/Union Territories. A central surveillance unit has been established at Port Blair with six peripheral units in the affected islands for intensive monitoring of the post tsunami public health situation and to take appropriate measures as and when necessary.

List of doctors sent to Tsunami affected areas

No.	Name of the doctor	Institution	Area
1.	Dr. S.P. Agarwal,DGHS	DGHS	TN/A&N Islands
